

REMARKS

Request for Reconsideration & Claims Pending

The application stands subject to a FINAL Office Action mailed on 13 June 2011. Reconsideration of the claimed invention in view of the discussion below is respectfully requested.

The claims were amended to further prosecution in light of the Office Action's notification of allowable subject matter. However, the Applicant has not acquiesced other patentable subject matter that the Applicant previously claimed and reserves the right to pursue said subject matter in continuing or future examination of the subject matter.

Claims 34-55 were pending. Claims 39-46, 49-50, and 54-55 were canceled in that their subject matter was incorporated into independent claims 34 and 47.

Prayer For Relief

In view of the amendments above, the Claims of the present application are in condition for allowance. Kindly withdraw any rejections and objections and allow this application to issue as a United States Patent without delay.
